

ENVIRONMENTAL HEALTH FOUNDATION OF CANADA

I am pleased to present this report to the Executive and Members of the C.I.P.H.I. on behalf of the Board of Trustees of the Environmental Health Foundation. For your information, the 3rd Annual Meeting of the Foundation was held on December 30, 1991 as a Tele Conference. The officers elected at that time were as follows.

Chairman	Tim Roark
Vice Chairman	Klaus Seeger
Treasurer	Charlie Young
Secretary	Dean Sargeant

Approval was given for the development of a Strategic Plan for the Foundation and Mr Charlie Young was appointed to chair that committee. Considerable effort has gone into the development of a draft report which will be presented to the Trustees for approval at the 4th Annual Meeting to be held in Winnipeg on July 12, 1992. It is intended the plan will chart the course for the development of the Foundation in the coming months and years.

The first project of the Foundation has been drafted and is just waiting to be funded by a supportive agency. This project is intended to assist two aboriginal Canadians attend the Environmental Health Program at B.C.I.T. and subsequently obtain their C.P.H.I.(C). Contact was recently made with senior officials in Health & Welfare Canada for funding in the amount of \$82,000.00. Preliminary indications were positive and now we wait for the official response.

The list of Trustees for the current year is unchanged and consists of:

Mr. D. Sargeant	
Dr. G. Bonham	Mr. K. Seeger
Mr. B. Fortin	Mr. D. Terry
Mr. T. Gable	Dr. F. White
Mr. T. Roark	Mr. C. Young

As part of the Strategic Plan, we hope to strengthen the Board of Trustees this year with further appointments, including the possibility of an Honorary Chairman.

Attached for your consideration are the Treasurer's Report and Auditor's Report for the past year. As always we welcome any comments, questions and suggestions. Again for 1992 I would like to express our sincere appreciation to the National Executive for there continuing support of the Foundation. I must also take this opportunity to personally thank the Trustees for their ongoing work on behalf of the Foundation.

Respectfully submitted,
Tim Roark,
Chairman
