Item 03: Approval of Minutes

Duncan Ellison asked if there were any amendments to be made to the Minutes of the Meeting of Board on November 13, 2011. He noted that these had been circulated and some comments had been received and included in the present draft. None were offered. Duncan Ellison proposed and Jacqueline Schnider seconded a motion to approve the Minutes distributed.

The action items of the November 13, 2011 were reviewed and the following were identified as having been completed:

- Item 4 - Product marketing
- Item 4 - Website
- Item 5d - Finance Committee report
- Item 8a - NCCEH proposal
- Item 8b - List of Trustees and Appointments
- Item 8d - Expenses
- Item 8d - Wikipedia listing (done, but no confirmation received)
- Item 8f - EHFC-NEC linkages - underway
- Item 4 - Charity Golf Tournament
- Item 8 - Next meeting.

The list of carried over actions will be attached to these minutes.

Item 04: Charity Golf Tournament - CIPHI 2012

Ron de Burger indicated all was underway for the Charity Golf Tournament. Pam Scharfe indicated that it was hoped to get the contract signed at the end of March, which was contingent on the presence of Blue Mountain Staff. It is planned to have a shot gun scramble start. There was a need for 60 players and it was hoped to have the fee at or less than \$100, including a golf cart. There would be time for a quick snack and beverage at the end of the tournament, a free round of golf would be a raffle prize, prizes will be distributed at the end of the tournament (and the Committee is looking for sponsored trinkets).

Ron de Burger proposed and Ralph Stanley seconded a motion to accept the oral report.

Action: Pam Scharfe and Ralph Stanley to continue the preparations.

Item 05: Financial Reports (Oral)

Tim Roark had provided a brief summary of the financial position of the Foundation as of January 16th, prior to leaving for an extensive tour of the South Pacific. He had indicated that a full report would be prepared on his return. The summary was briefly examined.

Duncan Ellison proposed and Pam Scharfe seconded a motion to accept the summary report.

Adopted

Item 06: Other Committee Report

Awards Committee

Gary Gallivan asked what the protocol was for issuing the award cheques. Pam indicated that normally Tim Roark would issue a letter along with the cheque, and that there was a need to find a way to get a photo of the presentation ceremony - if this was taking place at the colleges, then the college would have to provide the photo.

Gary mentioned that they had not received any nominations for the Lily Ann Zahara award and wondered what to do about it. Pam Scharfe indicated that this had occurred in earlier years and it was just noted on the Web Site that an award was not made.

Gary asked if the O'Hara award had been confirmed. Ron de Burger indicated that the matter had not been addressed by NEC as to whether this would be a national award on an Ontario-based award.

Communication Committee

Pam Scharfe reported that the Web Site was largely up to date and getting more hits than before, probably as a result of the EHFC newsletter that had been sent out. Work would continue.

Food Safety Committee

Klaus Seeger reported that there had been a good response to the letters promoting sales of the TempSafe products and hoped that more would come in with the new financial year. He noted that an agreement with Toronto was in place but not executed to pay a royalty for the use of the designs, with printing to be undertaken by Toronto. He said he

understood that the Health Units in Ontario might get more funding in 2012 and this could result in more sales. Finally he mentioned he had written to Health Canada but had not had a response yet. Duncan Ellison stated he had met the HC Director General for Aboriginal Environmental Health at a Conference in Edmonton in March and would contact her.

Water Safety Committee

Duncan Ellison reported that the Committee had not been able to undertake activities but he would be meeting with WaterCan in the near future to see if a project could be found for EHFC.

Item 07: NCCEH Awards

Gary Gallivan spoke to the document circulated with questions from Christina Chociolko.

The Trustees thought that in response to Christina's questions that a letter from Tim Roark should accompany the cheque, that a certificate should be prepared, and that the PDFs of the project reports would be published on the EHFC Website.

Duncan Ellison reports (post the teleconference) that Christina has indicated the cheque has been mailed and that he should receive it shortly. If need be, we can get some counter cheques from BMO and Duncan and Klaus could sign them.

Gary Gallivan said he would contact Christina and follow up. Ron de Burger indicated he would let NEC know of this initiative with NCCEH.

Actions: Gary Gallivan and Ron de Burger

Item 08: Other Business

There were not items of other business raised at the meeting.

Under Item 08.1 - Mosaic Banner, Klaus Seeger mentioned that the idea of the Mosaic Banner was to collect pictures to display the history of CIPHI and that \$5 would be donated to EHFC for each picture. We might need to identify a project that could be funded. Klaus mentioned the possibility of supporting the Sierra Leone project or some project through WaterCan, Jacqueline mentioned the possibility of a food safety project in Alberta.

Item 09: Next meeting(s)

Ron de Burger suggested that because the AGM would be taking place in September that we should schedule just one teleconference meeting in the May/June period. Duncan said he would send out a doodle poll to check availability for the weekends of May 27 or June 3.

Regarding the AGM meeting and the need for a strategic plan development process, it was suggested that Trustees should plan on attending on Saturday September 15; the Golf tournament will be on Sunday September 16th.

Action: Duncan Ellison

Item 09: Adjournment

There being no other business to transact,

Jacqueline Schnider proposed and Ralph Stanley seconded a motion to adjourn the meeting at 14:45 Eastern Time.

Note: NEC minutes located so far appear to indicate that the decision by CIPHI National to contribute 10% of National's net portion of the annual conference profits was an NEC decision and not a motion/direction from the CIPHI Membership. The matter will be investigated further but numerous missing NEC minutes are hampering the search.
